

BAE 495R Homework 4: Stormwater BMPs and Ecosystem Services
February 20, 2009

List the ecosystem services provided by the stormwater wetland constructed at the Bruns Elementary School in Wilmington, NC (pictured below and referred to in the lecture). Provide an explanation and justification of each service you identify.

Refer to both the lecture and reading assignment (Millennium Ecosystem Assessment, *Ecosystems and human well-being: wetlands and water*, pages 30-38) to generate your list.

Bruns Elementary School stormwater wetland: Wilmington, NC.
