

EcoStream

Stream Ecology and Restoration Conference

The logo graphic consists of four rectangular panels. The first panel is yellow with white concentric circles. The second panel is orange with white wavy lines. The third panel is green with white wavy lines. The fourth panel is blue with a white dragonfly silhouette.

Evolving from Two Decades of Lessons Learned to Meet Future Challenges

August 13-16, 2018

NCSU Stream Restoration Program Mission:

Improve water quality and aquatic ecology through research,
demonstration projects, and education

CrowdCompass Games and Prizes!

There are two ways to win prizes:

- Click Game – Using the conference app, play the Click game. Take pictures of the specified item, location, activity, or person to earn points.
 - The top ten point earners will be entered in a drawing to receive one of 3 gift baskets of Asheville's best local items.
- Stay through the end of the conference and be entered into a drawing for a **\$500 Amazon gift card!** Must be present to win!

EcoStream Conference Objectives

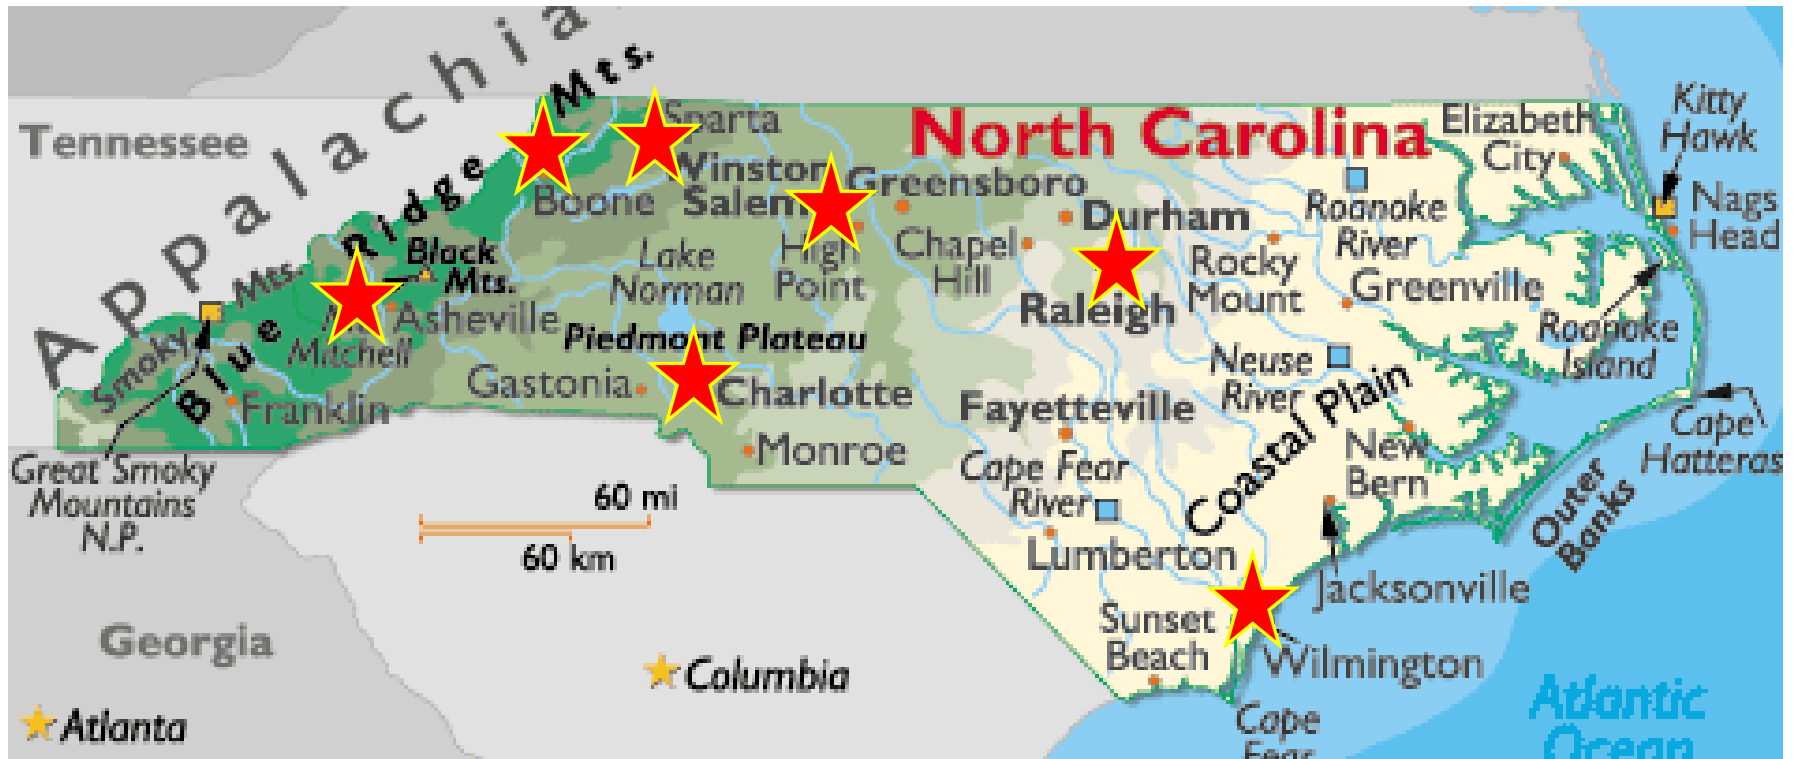

1. Exchange ideas and experiences
2. Promote research and advancement
